MEMORANDUM FOR THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Space Assignment for General Counsel

25X1A

1. In accordance with the verbal request of [REDACTED] I am sending this memorandum to you in his absence.

25X1A 2. It has just come to my attention that in the plans for the movement of the Office of Special Operations, no provision has been made for the transfer to Temporary "L" Building of Messrs. John S. Warner and [REDACTED] representatives of the Office of the General Counsel, CIA. The service which the General Counsel has rendered this office, based primarily on the proximity of these individuals to my office, has been of inestimable value in carrying out the operations of the Office of Special Operations. They constantly render important legal advice and assist in the drafting of important administrative and operational documents and instructions. It is essential in the interest of sound operations and efficiency that the above representatives of the Office of the General Counsel be housed in "L" Building, adjacent to the operating branches.

25X1A 3. It is, therefore, urgently requested that the Director approve the assignment of Messrs. Warner and [REDACTED] with appropriate clerical assistance, to "L" Building.
